Subject: Grant of NABL Accreditation

Dear Sir,

I am pleased to inform you the grant of accreditation in accordance with ISO/IEC 17025: 2005 in the discipline of Photometry testing and additional scope in Electrical testing as per the scope and authorized signatories recommended by the assessment team.

Lab to participated in ILC with more number of labs and performance to be verified during the next assessment.

You may issue test reports with NABL symbol with effect from **24th June 2019** for the additional scope in Electrical and Photometry testing disciplines.

Accreditation certificate No. TC-7634 for Electrical & Photometry Testing with issue date 06.09.2018 valid till 05.09.2020 Last amended on 24.06.2019 is in the process of preparation. Please submit soft copy of the accredited scope (in word format) for accreditation certificate preparation.

You are also required to submit the 4 year PT participation plan as per scope of accreditation in form 18 of NABL-163 and implement the same.

Being an accredited laboratory of NABL, you must fulfill all the Terms and Conditions laid down in our document NABL-131. You are requested to follow NABL-133 (current issue) for using NABL symbol.

The continuation of accreditation is subject to compliance of NABL norms & satisfactory annual surveillance.

You are requested to return the existing NABL Certificates to enable preparation of revised NABL accreditation certificate.

Yours sincerely

Sreeram Pinamaraju
Executive Officer
