

## Annexure

### Detail Technical Specification

Supply of 18 Watt 4 Pin LED PL-L lamp with integral driver

Quantity: 100 Nos.

Sl No	Department's Specification
Make & Model number of the quoted product:	
1	4 Pin LED PL-L lamp with integral driver
2	Cap base: 2G11
3	Power rating: 18 Watt.(Maximum)
4	Input Voltage: 220-240V A C.
5	Frequency: 50Hz.
6	Power factor : $\geq 0.95$
7	Luminous flux: $\geq 1850$ lm.
8	Size (L x W x H). (419x44x29) +/- 2 mm.
9	CCT: $\geq 6000$ K
10	CRI: $\geq 80$
11	LM-79 Test report (Signed) shall be provided from a Government Laboratory/NABL accredited testing laboratory along with the offer. Copy of valid NABL accreditation certificate shall be provided along with the offer. LM-79 Test report shall have total Luminous flux, luminous efficacy, input voltage, frequency, power, power factor, CRI & CCT etc.
